WEDDING MUSIC WORKSHEET

You will need to select specific pieces of music for the portions of the ceremony indicated below. In the left-hand column, please indicate how many people are involved, such as the number of bridesmaids, flower girls, etc. There is a spot for the observance of the Unity Candle, a ceremonial event that you may choose to omit. Just leave that spot blank if you are not having a Unity Candle, or you can indicate a piece of music you wish played for a period of prayer and/or meditation. Don't hesitate to contact me with any question or concerns you may have.
